THE PARTICULARS

North Texas plays their final conference and road game of the year as they visit ULM. Their is not television but the game can be heard on the Mean Green Radio Network with coverage starting at 1:30 p.m. Kickoff from Malone Stadium is set for 2:30 p.m.

THE PRINCIPALS

North Texas has won two of its last three games and it looking to notch a 4-2 road record with a win at ULM. The Mean Green has three wins on the road this season, which is the most since the 2004 season. The Mean Green can also even their conference record at 4-4, which would be the best league mark since 2004 for North Texas. ULM is 4-6 but can still become bowl eligible with two wins. The Warhawks are 3-0 at Malone Stadium this year.

THE SERIES

North Texas and ULM will be meeting for the 27th time in series history. The Mean Green and Warhawks have split the other 26 meetings as the series is tied at 13-13. ULM has won two straight and four of the last five meetings. The series dates back to 1978 when North Texas won the first meeting 28-6. The last North Texas win came in 2007, a 31-21 victory In Monroe the Warhawks hold an 8-5 edge over the Mean Green.

THE NEXT GAME

North Texas plays its final game of the regular season as they host Kansas State. It will also mark the final game in Fouts Field history. ULM closes out the regular season at home with a battle with in-state rival Louisiana-Lafayette.

A CLOSER LOOK AT ULM

Head Coach Todd Berry – A 27-year coaching veteran, Berry is in his first season as the head coach of ULM. Berry was a former offensive coordinator at ULM during the 2004-05 season and was part of ULM's 2005 Sun Belt Conference title. Berry was the head coach at Illinois State and in 1999 led the Redbirds to the I-AA National Semifinals. He moved onto the Army as the head coach from 2000-03 and his 2001 team is the last Army football team to beat Navy.

The Matchup – North Texas and ULM bring opposite type of attacks into the game. The Mean Green is the leading rushing team in the league at nearly 200 yards a game while ULM is more of a passing offense at 230.2 passing yards a game. ULM is fourth in the Sun Belt Conference against the run while the Mean Green is sixth in the league against the pass. QB Kolton Browning is the leader for ULM on offense. He is the team's leading rusher as well as passer. He is averaging 244.7 yards of total offense on the year. Luther Ambrose is the leading receiver for the Warhawks as he is averaging in 58.3 yards a game through the air. North Texas enters the game with a chance to win its fourth road game of the season and notch the best road mark since 1977. In 1978 North Texas was 3-1 on the road and in 1977 the Mean Green went 5-2.

Media Information Post-Game Interviews

The North Texas locker room is closed to all members of the media. Interim Head coach Mike Canales and requested players will be available for interviews following a brief cooling off period. Postgame interviews at Fouts Field will be held in the media interview room below the east stands.

Credentials For Media

Those wishing to cover North Texas must contact Eric Capper or Steven Bartolotta for credentials for home and away games. Seating is very limited at Fouts Field and requests for North Texas home games need to be made at least one week prior to the contest.

Media Availability for Players

All player interviews will be conducted following the teams practice on Tuesday afternoon at the Athletic Center. Requests for players should be made in advance through the sports information office. No interviews will be granted on Monday or Wednesday post practice. Special exemptions may be granted to those media wishing to interview a specific student-athlete before practice at the discretion of the media relations office.

Sun Belt Teleconference

The Sun Belt Conference will conduct a weekly teleconference with each of the eight head coaches each Monday throughout the season. Coach Canales will be on the call from 11:08-11:14 a.m. each week.

Post-Practice

Canales will be available to media immediately following Tuesday's practice at the Darrell Dickey Practice Facility. Requests should be made in advance of practice to the media relations office.

Out of Town Media

Canales and his assistant coaches are also available by request to out-of-town media Monday through Wednesday from 11 a.m.-12 noon. Contact the media relations office to arrange these requests.

Practice Coverage

Media has limited access to North Texas football practice. Viewing is available outside the fence of the practice facility. Video and still photography can be shot during the first 30 minutes of practice. Players and coaches are available for interviews following practice on Tuesday. All requests for interviews must be made in advance through the athletic media relations office.

Players of the Week - North Texas running back Lance Dunbar and kicker Zach Olen were named Sun Belt Conference Offensive and Special Teams Players of the Week for their respective effort in the 23-17 win at Middle Tennessee Saturday. Dunbar rushed for a season-high 226 yards and one touchdown while adding another 46 receiving yards. It was the best rushing performance in the nation last week. Deans was perfect on three field goal attempts and two PAT attempts, scoring 11 of the teams 23 points. Deans kicked a career-long 53-yard field goal as time expired in the first half. This is the second POW award for Dunbar this season and the third for Olen.

Mike Canales Named Interim Coach - Offensive coordinator Mike Canales was named interim head coach when Todd Dodge was relieved of his duties following the loss to Florida International on Oct. 16. Canales, who is in his first year as offensive coordinator, will lead the Mean Green for the final five games of the season. He is in his first year at North Texas after a successful stint as offensive coordinator at South Florida. Dodge was 6-37 since taking over at North Texas in 2007.

First Win of Career - Mike Canales became just the seventh coach in North Texas history to begin his career with a win. Of the 16 previous coaches at North Texas only six began their career with a win and two of those began with a win on the road. Matt Simon was the last head coach to win his first game, defeating Abilene Christian 48-0 in 1994. The last North Texas head coach to win his first-ever game with it being on the road was Theron J. Fouts who won at Bursleson College 48-12 in 1920.

Compare and Contrast - North Texas and Louisiana-Monroe have had offensive success in different ways this season. North Texas leads the Sun Belt Conference in rushing offense with an average of 196.7 yards per game while ULM has done it through the air, averaging 281.5 yards passing against Sun Belt opponents. North Texas ranks last in passing offense against Sun Belt opponents with an average of 154.4 yards per game... The Warhawk defense ranks last in the league in rushing defense, allowing conference opponents 193.0 yards per game on the ground... In league games, ULM ranks last in rushing offense, averaging 106.3 yards per game... The Warhawks have allowed a league-high 21 quarterback sacks in six conference games... ULM is last in the conference in red zone offense, succeeding just 72 percent of the time with just 13 touchdowns in 25 appearances... ULM is -7 in turnover margin, losing 10 fumbles and 12 interceptions this season... These two teams rank last in the Sun Belt in punt returns with North Texas averaging 3.4 yards per return and ULM averaging 2.8.

Injury Bug Biting Hard - North Texas has been hit unusually hard by the injury bug this season and it has created quite a shakeup in the depth chart. North Texas has lost 12 starters and two backups with injuries – all but one of which were season-ending injuries. No other FBS team in the nation has been hit nearly as hard, with Utah State coming in a distant second having now lost seven starters for the year with injuries.

*Listed as starter when injured

Experience Lost - The impact on depth is obvious, but the impact on experience is even more critical. Of the 13 long-term injuries suffered by North Texas this season, 10 are by juniors and seniors. The 13 players who have suffered the long-term injuries have combined to earn 23 varsity letters at North Texas and the 13 players who fill their spots on the current two-deep combine for six varsity letters.

Two Done in 26 Snaps - Both of North Texas' top two quarterbacks suffered season-ending injuries in a period of just 26 offensive plays. First stringer Nathan Tune went down with a dislocated hip late in the Rice game and his replacement Derek Thompson came in to replace him for one play. Thompson then assumed the starting job against Army, but on his 24th snap of the game, he suffered a broken leg. To the best of our research ability, North Texas has never lost its top two quarterbacks in such a short amount of time.

Three Deep - The North Texas offense has been hit especially hard by injury. There are three positions where the top two or three guys heading into the first game are now gone with injuries. At quarterback, North Texas lost Nathan Tune, Derek Thompson. At center the Mean Green is playing without J.J. Johnson and Nick Leppo. The top two outside receivers at the beginning of the season are also gone in Chris Bynes and Benny Jones.

Record Setting Offense - The North Texas offense is 281 yards away from hitting the 4,000-yard plateau for the season, which would be the fourth straight year that the Mean Green went over that mark in total offense. In the 96 years of football that North Texas has played, only 11 teams have had over 4,000 yards of offense in a season and three of those were the last three years. The Mean Green posted its best year ever last season, setting a school record with 4,904 yards. That topped the previous school record of 4,901 yards set in 2007. North Texas also had the most yards of total offense per game at 408.7 last year since the 1969 season.

Road Success - North Texas will be trying to win its third straight road game this week at Louisiana-Monroe which would be the first time that has happened since 2004. The back-to-back road wins at Western Kentucky and at Middle Tennessee is also the first time the Mean Green has accomplished that feat since the same year, when it went undefeated in Sun Belt play and won all three conference road games. If the Mean Green can win at ULM, it would close its road schedule with a 4-2 road record, for a winning percentage of .667. The last time North Texas finished a season with a better winning percentage on the road than that was 1978 when it 3-1 in away games.

Two in Top 20 - North Texas senior linebacker Craig Robertson ranks 17th in the nation in tackles with an average of 10.3 per game while Mean Green junior running back Lance Dunbar ranks 10th in rushing with an average of 114.9 yards per game. North Texas has never had a defender rank in the top 20 nationally since the NCAA adopted its current defensive reporting policy in 2004. If Dunbar can maintain his position, it will mark the fourth time in the last eight years that a Mean Green running back finished in the top 15.

Backing it Up - Junior running back Lance Dunbar became just the second North Texas player ever to rush for back-to-back 1,000-yard seasons when he went over the elusive mark in the win at Middle Tennessee. Dunbar joins 2010 North Texas Hall of Fame inductee Kevin Galbreath as the only two players in school history who had consecutive 1,000-yard rushing years. He is also one of just three North Texas players to have more than one, 1,000-yard rushing performance, which includes Galbreath and the school's all-time leading rusher Patrick Cobbs.

Rushing to Success - North Texas' ability to run the ball has determined its success this season. In its three wins the Mean Green has averaged 282.3 yards per game on the ground, while averaging just 160.0 in its seven losses. North Texas has averaged 51 rushing attempts and 5.6 yards per attempt in its three wins. In the seven losses, the Mean Green has averaged 39 rushing attempts and 4.1 yards per rush. In the last 16 games, North Texas is 4-0 when having 250 yard or more on the ground and 0-12 when having less than 250 yards rushing.

Scoring Upswing - In the three games that Mike Canales has been the interim head coach, the North Texas offense has picked up the scoring pace. The Mean Green has scored 11 touchdowns in three games under Canales (3.7 per game) after scoring 14 touchdowns in the seven games before he took over (2.0 per game). North Texas is averaging 30.3 points in the last three games after averaging just 16.9 points before that point.

Turnover Turnaround - Since Mike Canales took over as interim head coach three weeks ago, North Texas has done a remarkable job in the turnover battle. North Texas has won the turnover battle in each of the tree games under Canales, gaining seven and losing two during that stretch for a difference of +5. In the seven games prior to Canales taking over, the Mean Green had lost 12 and gained six for a difference of -6. North Texas threw its first interception in five games when Riley Dodge was picked off against Middle Tennessee.

Dunbar Moving Up Career Lists - North Texas junior running back Lance Dunbar went over 1,000 yards rushing for the season with his 226-yard performance last week against Middle Tennessee and inched closer to the top three on the North Texas career-rushing leaders list. Dunbar stands alone in fourth place on the exclusive list with 2,705, which is 415 yards shy of JaQuay Wilburn who holds third place with 3,120 yards. His 27 career rushing touchdowns tie him with Jamario Thomas for third place on that list, two shy of Hall of Famer Scott Davis who stands second with 29 career rushing touchdowns.

Make Them Earn it - North Texas has allowed an unusually high number of quick scoring drives this season. Of the 30 touchdowns scored by North Texas opponents, 13 (43 percent) have come in four plays or less. Compare that to last season when only 15 of the 54 touchdowns scored by North Texas opponents (28 percent) came on drives of four plays or less. The average touchdown drive by North Texas opponents this season is coming in 5.7 plays and taking only 2:06 of game clock.

	TD Drives	TD Drives In 4 plays or less	TD Drives < 1 minute
North Texas	24	5	3
Opponents	30	13	8

Stopping Big Plays - Stopping the big plays has been an issue for the Mean Green defense which has led to the quick scoring drives. The North Texas defense has allowed 14 plays from scrimmage of more than 40 yards this season and it only allowed eight plays from the same distance in 12 games last season. Even worse is nine of the 14 plays this season (64 percent) have been for touchdowns, while only three of the eight last year (38 percent) went for scores.

Accuracy on Third Down - The four North Texas quarterbacks this season have combined to complete 112 of their 196 passing attempts for a completion percentage of 56 percent which ranks seventh in the Sun Belt Conference. The least productive passing situation for the Mean Green is probably the most critical – third down. North Texas has completed 53 percent of its third-down passing attempts (44-of-83) while it has completed 58 percent of its passes on the other three downs. Riley Dodge is the most accurate passer on third down, completing 59 percent of his attempts (22-of-37).

First Down Explosives - Most of the explosive plays for North Texas and its opponent this season have come on first down. Mean Green opponents have 48 offensive plays that have gone for 20 yards or more and 24 of those have come on first down (50 percent). The North Texas offense has had 18 of its 46 plays (39 percent) for 20 yards or more come on first down, while 13 have come on second down, 13 have come on third down and two on fourth down. Every North Texas opponent except Western Kentucky has at least one 20-yard play on first down.

Three and Out at Home - The North Texas offense has had many quick exits in games at Fouts Field this season, including 11 three-and-out possessions in its last three home games. In five home games, the Mean Green has had 22 three-and-out series' (4.4 per game), while in five road games, North Texas has had just 10, three-and-out possessions (2.0 per game). The Mean Green didn't have any three-and-outs in its win at Florida Atlantic and had only one in its win at Western Kentucky.

Keys To Success - ESPN college football authority Tom Luginbill says there are four keys to winning a game hidden in every box score. First is third down conversion percentage, second is average yards per pass attempt, third is turnover margin and fourth is rushing attempts. Luginbill says teams that win at least three of those four categories win the game 90 percent of the time. His hypothesis is 100 percent correct for the Mean Green this season. In games against Rice, Army and FIU North Texas lost three of those four categories and lost each game (0-3). In the three wins for the Mean Green, North Texas won at least three of those categories and won (3-0). In the other four games for North Texas this year, neither team won three of the statistical categories.

Over 40 - Since the beginning of the 2007 season North Texas has had 11 games in which it has had 40 or more rushing attempts in a game and 35 games in which it had less than 40 rushing attempts. In the 11 games with 40 or more attempts, North Texas is 5-6 for a winning percentage of .454. In the 35 games that North Texas has less than 40 rushing attempts, North Texas is 3-32 for a winning percentage of .086. Most would expect the average yards per rush to go down in those games where the Mean Green has 40 or more carries. In games with 40 or more rushing attempts, the Mean Green averages 5.2 yards per attempt and in games where it has less than 40 carries it is actually the exact same - 5.2 yards per attempt. The only time that North Texas has rushed for more than 40 times and hasn't averaged over four yards per carry was against Clemson earlier this year when it had 49 attempts for 193 yards (3.9 avg.).

Liking the Familiar Red Zone - North Texas is 16-of-18 (89 percent) on scoring opportunities inside the red zone at Fouts Field this year and 6-of-9 (54 percent) in red zone scoring on the road. Of the 15 red zone chances at home, the Mean Green has scored 10 touchdowns (56 percent). In the 11 red zone opportunities on the road, North Texas has four touchdowns (36 percent).

More Home vs. Away - North Texas is 3-2 in road games this year and 0-5 at home - and the stats tell the story. North Texas is averaging 227.0 yards rushing in road games and only 166.4 yards rushing in home games... The Mean Green has converted 49 percent of its third downs on the road and only 31 percent at home... North Texas is averaging 65.4 yards in penalties at home and only 51.8 on the road... The Mean Green defense is allowing 350.6 yards in five road games and 410.2 in five home games. The only misguided statistic is quarterback sacks, where North Texas has 12 at home and five on the road.

Down and Distance to Gain - The third down conversion success rate is directly proportional to the distance to gain, but for North Texas this season, there is a clear distinction where the separation is. The break-off point seems to be five yards. When the Mean Green has third down and less than five yards to gain it is successful 59 percent of the time (36-of-61). When it has five yards or more to gain on third down, it has a 28 percent success rate (27-of-96).

Third Downs Lately - In its last five games, North Texas has struggled on third down conversions. In the first five games the Mean Green was successful converting third downs 48 percent of the time (40-of-84) and in the last five games it has only converted 32 percent of its tries (23-of-73). In the first five games, North Texas had 25, third-and-short situations (three yards or less to gain). In the last five games the Mean Green has had just 16 third-and-short situations. Some of that can be contributed to the injury situation as North Texas has been forced to play its fourth-string quarterback Chase Baine in two of the last four games while it had its top three signal callers playing in the first five. The combination of Nathan Tune, Derek Thompson and Riley Dodge completed 37-of-65 passes on third down (57 percent) while Baine has connected on 7-of-18 passes on third down (38 percent).

Slow out of Gate - The North Texas defense will be trying get some early stops this week after not having much early success so far this season. Eight of the Mean Green's 10 opponents this season have scored a touchdown on their first offensive possession of the game. North Texas has been down 7-0 in every game except the Western Kentucky and Middle Tennessee games this year and has been outscored 89-41 in the first quarter. The North Texas offense has not kept pace either, being forced to punt or turning the ball over on the first possession in seven of its 10 games. In the last four years, North Texas is 4-25 when the opponent has scored first and 4-13 when North Texas has drawn first blood.

Settling Down in Second Half - The Mean Green defense seems to be settling down in the second half after surrendering big first-half plays. Of the opponents 30 offensive touchdowns this season, 22 have come in the first half (73 percent) and all but two plays that have gone for 50 yards or more against the Mean Green came in the first half. Below is a look at the tale of two halves.

Playing From Behind - North Texas has had to play from behind in all but one game this season. The Mean Green has held only four leads in the 10 games it has played, one for 7:22 in the fourth quarter against Rice, the lead it held for 30:54 in the win over Florida Atlantic, the 38:14 it led in the win at Western Kentucky and the entire game against Middle Tennessee. In the 600 minutes of game action this season, North Texas has held the lead for a total of 136:30 while the Mean Green opponents have held the lead or the score has been tied for 463:30.

Another Close Loss - North Texas' six-point loss to Troy two weeks ago was the latest in several close losses by the Mean Green over the past two seasons. Since the beginning of the 2009 season North Texas is 2-10 in games decided by a touchdown or less. Those 10 losses have come by a total of 37 points, or 3.7 points per loss. Unfortunately for Mean Green fans, seven of those 10 losses during that stretch have come at Fouts Field, including four of five home games this season. There have been three 1-point losses at home since the beginning of the 2009 season, Ohio in 2009 and Rice and Louisiana-Lafayette this year.

Outgaining Opponents - It has become a freakish trend. North Texas has outgained 12 of its last 24 opponents in total offense but has won just six of those games. The Mean Green has outgained six of its 10 opponents this season but has just a 3-3 in those games. In five of its 10 losses last year, North Texas had a total offense advantage.

Line Adjustment - After allowing just 12 sacks in 12 games last season and ranking first in the Sun Belt and 11th in the nation in sacks allowed, the Mean Green offensive line has struggled mightily this season. North Texas has allowed more than double last year's total with 26 in 10 games and ranks seventh in the Sun Belt and 94th nationally. Four of the five starters from last year returned in 2010, but the Mean Green has lost its top two centers and a starting guard with season-ending injuries and tackles Matt Tomlinson and Victor Gill have been playing with nagging injuries all year.

Time Management - The North Texas offense is doing a remarkable job of sustaining drives and keeping the defense off the field this season. The Mean Green leads the Sun Belt Conference and ranks seventh in the nation in time of possession with an average of 32:53 per game. North Texas has never averaged more than 31:40 in time of possession for an entire season since joining the Sun Belt Conference in 2001. North Texas has 21 drives this year that have lasted 10 plays or more (2.1 per game), compared to last year when North Texas had a total of 22 in 12 games (1.8 per game). North Texas amassed an amazing 41:52 of possession time against Clemson, giving the Mean Green an advantage of 23:44. That is the largest time of possession advantage for a Mean Green offense since returning to Div. I-A in 1995 and believed to be the most time of possession for a North Texas team in a game in school history.

Losing Late Leads - North Texas lost a fourth-quarter lead against Rice earlier this season when the Owls scored a touchdown with 6:22 to play to take a 32-31 lead. That was the sixth time in the last 19 games that the Mean Green had a fourth-quarter lead and lost the game. North Texas lost games to Ohio, Louisiana-Lafayette, Florida Atlantic, Florida International and Army last season after leading at some point in the final quarter.

Well Represented in the NFL - North Texas has had more players drafted to play professional football than any other team in the Sun Belt Conference. Since the first NFL draft in 1936, North Texas has had 77 players drafted, including seven players picked in the first round. Joe Greene is the highest drafted player ever from North Texas when he was selected by the Pittsburgh Steelers with the fourth overall pick in 1969.

Did You Know - North Texas has its share of players on the roster that have great genes of their own but some have even better bloodlines. Linebacker Zach Orr is the son of former NFL tight end Terry Orr, who was a member of the Washington Redskins Super Bowl teams in 1987 and 1991. Wide receiver Alex Lott is the son of former Oklahoma All-Big 8 quarterback Thomas Lott. His older brother just finished up his college career at Rice. Sophomore linebacker Jeremy Phillips is the younger brother of Jason Phillips, the 2008 Mountain West Defensive Player of the Year for TCU and current Baltimore Raven linebacker. Freshman tight end Austin Fitzpatrick is the son of Tony Fitzpatrick who was a starting defensive lineman on the 1983 Miami Hurricanes national championship team.

One Overtime Not Enough - North Texas has played in just two overtime games since the NCAA introduced the format in 1996. The Mean Green is 1-1 in its two overtime games, defeating Florida International 25-22 in seven overtimes in 2006 and losing to Ohio 31-30 in two overtimes this year. The Mean Green is the only FBS team that has never had a game decided in the first overtime period.

Dunbar Returns to Form - Junior running back Lance Dunbar has become only the second player in North Texas history to have back-to-back 1,000 rushing seasons when he went over that mark against Middle Tennessee. After a breakout year in 2009 when he rushed for 1,378 yards and finished 14th in the nation in rushing, Dunbar also has a chance to be the only player in Mean Green history to rank in the top 15 in rushing in consecutive years. In 18 games as a starter he has eclipsed 100 yards 13 times and averaged 129.4 yards per game. Against league competition, he leads the Sun Belt in rushing at 126.4 yards per game. He rushed for a season-high 2226 yards against Middle Tennessee and is one of only five players in FBS to have more than one 200-yard rushing game this season.

20 Carries to Success - Obviously when Lance Dunbar gets more carries in a game he is more likely to break the 100-yard rushing mark. He has rushed for over 100 yards in all but two times that he has carried the ball 20 or more times (10-for-12) and only eclipsed the century mark four times when having less than 20 carries (4-for-15). Even more amazing is his average yards per carry doesn't suffer at all with the additional work. When Dunbar has less than 20 carries in a game he is averaging 5.4 yards per attempt – when he has 20 or more carries a game he is averaging 5.9 yards per attempt.

	No. of Games	Avg./Attempt	Avg./Game	TDs
Less than 20 Carries	15	5.4	55.7	7
20 or more Carries	12	5.9	155.8	18

Career Numbers Stack Up - In comparing Lance Dunbar's career rushing average to the top backs in the nation, he measures up very well. Dunbar has only been a starter for 18 games but has played in 27 games overall. He is one of only seven active FBS running backs to average over 100 yards per game in his career (100.2). Of the seven active backs who have averaged over 100 yards in their career all but one average more carries than Dunbar. His average per carry over his career is 5.73 yards per attempt, which also ranks ninth among all FBS back.

Fourth Starting Quarterback - North Texas has started four different quarterbacks this season, all due to injuries suffered by the top three signal callers. Walk-on Chase Baine was the fourth quarterback to start after Nathan Tune, Derek Thompson and Riley Dodge all went down with injuries. Dodge has come back from a broken hand and started the last two games. North Texas is the only FBS team in the nation to start four different quarterbacks this season, with Louisiana Tech slightly behind with three different starters this year.

Quarterback Confusion - After starting quarterback Nathan Tune and his backup Derek Thompson suffered season-ending injuries in back-to-back games, North Texas was forced to go its third-string signal caller, who was its first-string quarterback last season. Confusing? Riley Dodge started 10 games at quarterback in 2009 but switched to wide receiver this year after suffering multiple shoulder and elbow injuries at QB. He was forced back into the familiar position that he was originally recruited to play and has started four games there this year. Dodge set a North Texas record as a redshirt freshman in 2009 by completing 67.7 percent of his passes, but was saddled by 15 interceptions.

Dodge Doing Work - Quarterback Riley Dodge has exceeded the expectations that nearly any coach would have of a third string quarterback. Dodge is 3-2 as a starter this season and has been the starter for all five of the team's wins in the last two seasons. With the help of Mike Canales, Dodge has become a more efficient passer this season, improving his efficiency rating from 122.3 last year to 131.9 this year. There is a clear correlation of Dodge's success as it relates to the number of his passing attempts in a game. Here is a comparison of Dodge's complete games that he has more than 30 attempts compared to 30 attempts or less.

	Games	Comp.	Att.	Int.	TD	Yards	Eff. Rating

Robertson Climbing Tackles List -Preseason all-conference linebacker Craig Robertson now has 352 tackles for his career and is climbing his way into the record book. He made his way into the top five all-time at North Texas in career tackles in the win at Western Kentucky and is eight stops away from taking over the No. 4 spot. Robertson leads the Sun Belt and ranks 17th nationally with 103 tackles. He is on pace for 126 tackles this season which would be the most tackles in a season by any North Texas player since 1991. Robertson also ranks 10th among all active FBS players in career tackles.

Following in Footsteps - True freshman linebacker Zach Orr has been a quick study with Craig Robertson's leadership. Orr has come off the bench to play in all 10 games this season and ranks third on the team with 48 total tackles. That tackle total is exactly the same number of stops that Robertson had in his freshman season... although it was his redshirt freshman season. The last true freshman to have more than 48 tackles in a season was defensive back Darien Williams who had 62 in 2008.

Getting Pressure Cranked Up - If you wanted to trace the struggles of the Mean Green over the last five years, you can find one area that stands out. Pressure on the quarterback. During the Sun Belt Conference championship years of 2001-2004 North Texas compiled a Sun Belt Conference record of 25-1 and averaged 28.5 sacks and 72.5 tackles for loss each season. In the six seasons since the last championship, North Texas has a Sun Belt record of 9-34 and has averaged 14.6 sacks and 57.6 tackles for loss. Currently, the Mean Green ranks 111th nationally in tackles for loss and 80th in sacks, but with 17 sacks needs only one more to have more than it has had in any season since 2004.

Olen Shines in Debut - True freshman Zach Olen has only been the starting placekicker for five games, but has been impressive in his short time. Olen is 10-of-12 on field goal attempts and 12-of-13 on PATs in those five games. In his first-ever collegiate action, Olen was a perfect 4-of-4 on field goal attempts (37, 37, 37, 27). Only one kicker in NCAA history has been perfect on more attempts in their first collegiate game. The last true freshman at North Texas to have a perfect debut was Nick Bazaldua when he was 1-for-1 against Nicholls State in 2002. Olen's 53-yard field goal against Western Kentucky was the longest by a North Texas kicker since 2001. Olen will not be eligible for NCAA or Sun Belt Conference statistic leaders list this season because he will not be able to meet the minimum of playing in 75 percent of the team's games.

Chancellor Clicking on Kick Returns - True freshman Brelan Chancellor has found his way onto the field and the breakout star on special teams this season. Chancellor has been returning kicks the past six games and has averaged 24.8 yards per return. If he met the Sun Belt minimums for number of games played (70 percent) he would rank second in the league.

Punt Returns Lacking - The last two years, North Texas has struggled finding a consistent punt returner. The Mean Green averaged just 5.9 yards per punt return last season, returning a team total of just 11 punts. After 10 games this year, the Mean Green has returned just 11 punts for a total of 37 yards to rank 113th nationally. North Texas has used four different punt returners this season, most recently settling on Darius Carey. North Texas has not returned a punt for a TD since 2004, which covers a span of 70 games.

Return Drought Continues - It has been 143 games and counting since North Texas has returned a kickoff for a touchdown. Broderick McGrew was the last Mean Green player to do so when he took a kickoff and returned it 100 yards in a 28-27 loss to Utah State on Nov. 14, 1998. North Texas' current active streak ranks as the sixth-longest in the nation - led by Air Force, which hasn't brought a kick back for a score in 308 games.

CLEMSON, S.C. - Nathan Tune looked impressive in his Mean Green quarterbacking debut and Lance Dunbar ran wild, but the Clemson Tigers were too much for the North Texas football team in a 35-10 loss at Memorial Stadium on Saturday.

The Mean Green (0-1) rolled up a 462-423 edge in total yards on Clemson (1-0), and kept the Tigers off the field with a balanced attack that ate up the game clock. North Texas controlled the clock for 41:52 of the game's 60 minutes.

In his first start as the Mean Green's No. 1 quarterback, Tune kept the chains moving with 19-of-29 passing for 240 yards and a touchdown. The senior out-dueled Clemson's star signal caller, Kyle Parker, who completed 9-of-17 passes for 170 yards and two scores.

The Tigers struck first, notching the only score of the first quarter on a 60-yard breakaway run from Andre Ellington on the game's opening possession. Otherwise, the Mean Green kept the Clemson offense off the field in the first quarter, with the Tigers tallying 4:43 of clock time and just three first downs.

ATTENDANCE: 23,743

DENTON, Texas (9/11/10) - The North Texas football team held a lead at the start of the fourth quarter, but Rice scored a touchdown with six minutes left in the game to take a 32-31 victory against the Mean Green at Fouts Field on Saturday night.

The announced crowd of 23,743 was the fifth largest in Fouts Field history. North Texas held a 31-26 lead at the start of the fourth quarter after trailing the entire first half. North Texas outscored the Owls, 10-9 in the second half.

The Owls used a seven-play drive that went 37 yards and took 2:10 to score the game-winning touchdown. The two-point attempt failed, but Rice held the 32-31 lead.

Lance Dunbar recorded his second straight 100-yard rushing game. He went 17 for 105 yards. In his career, he has posted 100-yard games in eight of his nine career starts. He posted two touchdowns in the game, including a four-yard shovel reception that put North Texas on the scoreboard in the first quarter.

Nathan Tune found Tyler Stradford at the start of the second half for a 75-yard touchdown pass to give North Texas its first lead of the game, 28-23. Tune completed 20 of 37 passes for 285 yards and three touchdowns. Eight different receivers caught passes from Tune. The Mean Green quarterback left the game at the end of the fourth with an injury.

Rice field-goal kicker Chris Boswell made four of six field goals in the game, including two 50-yarders. He missed a 44-yard field goal at the 9:08 mark but made a 24-yarder at 5:36 in the third to cut the Mean Green lead to 28-26.

North Texas used a six-minute drive at the end of the third and the start of the fourth to extend its lead to 31-26 with a 24-yard field goal by Trent Deans.

Two big plays led to the Owls taking a 10-0 lead in the opening four minutes of the game. North Texas came back with three touchdowns, two by Dunbar, to cut the lead to two at the half.

Army 24

SEPTEMBER 18, 2010
MICHIE STADIUM • WEST POINT, NEW YORK
ATTENDANCE: 24,689

WEST POINT, N.Y. - North Texas battled Army and its triple option attack on Saturday afternoon, but fell to the Black Knights 24-0 at West Point.

Army (2-1) rolled up 292 rushing yards and a 22-11 edge in first downs. North Texas (0-3) was held to a season low 201 total yards, and was held scoreless for the first time since 2006.

Lance Dunbar had racked up five straight games with at least 100 yards, but couldn't find running room against Army. The Doak Walker candidate was held to 42 yards on 12 carries.

Army struck first on a nine yard run from Patrick Mealy just four minutes into the game. The six-play 42-yard drive was the only score of the first frame, which was statistically controlled by the Mean Green. NT rolled up 83 total yards on a 10:07-4:53 edge in time of possession.

Injury woes have taken their toll on the Mean Green this year, and hit home again at West Point. After losing center Nick Leppo in the game's second series, quarterback Derek Thompson left the game with a leg injury. Starting receiver Christopher Byner also left the game with injury, making nine starters lost to injury this year.

Thompson was filling in for Nathan Tune, who left last week's game against Rice with a hip injury, and Riley Dodge was once again called into action.

Dodge, who had taken snaps in both of NT's games, filled in for Thompson admirably by completing 8-of-17 passes for 63 yards. But a botched a handoff with Lance Dunbar caused NT's second turnover of the game, and was recovered by Army at the Mean Green 14 yard line. The Black Knights made NT pay just four plays later with a touchdown off the left tackle.

A 20-yard scramble from quarterback Trent Steelman capped off Army's longest touchdown drive of the season - 11 plays and 79 yards. The methodical drive put the Mean Green down 21-0 with 5:52 left in the third quarter.

A 23-yard field goal from Army's Alex Carlton capped off the scoring at 24-0 with just over 12 minutes to play.

Florida Atlantic 17

SEPTEMBER 25, 2010
LOCKHART STADIUM • FORT LAUDERDALE, FLORIDA
ATTENDANCE: 15,143

Fort Lauderdale, Fla. (9/25/10) - The North Texas football team picked up its first win of the season, defeating Florida Atlantic 21-17, behind two Darius Carey touchdown catches and a strong running game on Saturday night at Lockhart Stadium.

This is the first time starting 1-0 in Sun Belt play under Todd Dodge and the first time since 2005.

The Mean Green took a 14-10 lead at the half and held onto a 21-17 victory despite FAU threatening twice in the last few minutes of the game. Lance Dunbar and James Hamilton combined for 194 rushing yards.

Hamilton rushed for a career-high 122 yards on 11 carries, including a 32-yard touchdown run. Dunbar followed with 72 yards on 29 carries. The Mean Green rushed for 257 yards, compared to FAU's 84.

Quarterback Riley Dodge completed 10 of 15 passes for 146 yards and two touchdown passes. He also rushed for 67 yards.

The Mean Green defense came up with big plays in the last minutes of the game. With under four minutes remaining in the game and FAU threatening, Royce Hill recorded his first interception of the season.

The Mean Green, however, was unable to get a first down and had to halt FAU once again. Brandon McCoy recorded the Mean Green's first and only sack of the game that helped stop FAU for good.

North Texas took a 21-10 lead with 7:45 left in the game following a 32-yard touchdown run from Hamilton. The junior running back took the snap out of the Wildcat formation, found open space on the left side and rushed for a career-high 32 yards into the endzone. FAU responded with a three-play, 77-yard drive that took only 57 seconds but resulted in a 36-yard touchdown.

DENTON (10/2/10) - Louisiana-Lafayette blocked a Mean Green extra-point with 31 seconds on the clock to hold onto a 28-27 victory against the North Texas football team on Saturday night at Fouts Field.

Riley Dodge used a shovel pass to Darius Carey for a four-yard touchdown reception, capping a 91-yard drive. The touchdown cut the ULL lead to one, 28-27, and an extra point would have tied the game. ULL's Jermaine Rogers blocked the kick to seal the victory.

The Mean Green held the edge in total yards, 378 to 251. Lance Dunbar rolled up 141 yards against ULL, his 10th 100-yard rushing game in 13 career starts.

The running back had a three-yard touchdown run in the fourth quarter that cut the ULL lead to seven, 28-21.

Penalties plagued the Mean Green throughout the game. North Texas recorded eight penalties in the first half and 15 overall for 102 yards, both season highs. NT was hit with two penalties on its final drive.

A strong opening drive by ULL and three big plays gave the Ragin' Cajuns a 28-14 advantage through three quarters of play. North Texas came back with two strong drives that resulted in touchdowns but came up short at the end.

With 6:02 left in the first half, North Texas jumped on the scoreboard with a quarterback keeper. Dodge scored on the option from six yards out.

Dodge and Dunbar rushed for 44 of NT's 47 total yards in the drive. Dodge completed 22 of 31 passes for 191 yards and two touchdowns in the game.

After being shutout in the third quarter, 7-0, North Texas scored first in the fourth quarter with a Dunbar three-yard touchdown run at 8:53. Dodge had a 17-yard run in the drive, and Dunbar set up his touchdown rush with a 13-yard run.

ATTENDANCE: 14,589

DENTON, Texas (10/9/10) - Lance Dunbar rushed for 105 yards in the Mean Green's 24-19 loss to Arkansas State on Saturday night at Fouts Field.

Dunbar rushed for 105 yards, his 11th career 100-yard rushing game in 14 starts. He scored the Mean Green's only touchdown of the game. The score was Dunbar's 21st career rushing touchdown. Chase Baine made his first start in a Mean Green uniform. He completed 9 of 17 passes, and rushed for 80 yards.

Zach Olen made four field goals in the game, which is the most by an NT player since Denis Hopovac hit five in the seven-overtime game against FIU in 2006. The four field goals is tied for the third most in a single game in school history.

Olen hit his fourth field goal of the game, a 27-yarder, at the start of the fourth quarter, to cut the Mean Green deficit to two points, 21-19.

ASU responded with a field goal of its own, a 39-yarder, that extended the Red Wolves' lead to 24-19 with 9:40 left in the game.

Aplin had a hand in all three of ASU's touchdowns in the first half. He started off the scoring with a 13-yard run and then ended the first quarter with an 11-yard touchdown pass. The quarterback gave ASU a 21-3 advantage with a nine-yard run at the start of the second quarter.

The Mean Green came back from a 21-3 deficit in the second quarter to enter half behind, 21-16.

Royce Hill recovered a fumble and Jamaal Jackson caught a 31-yard pass to set up Olen's third 37-yard field goal of the first half. The field goal cut the Arkansas State lead to 21-16 with six seconds left in the first half.

The freshman's four kicks are the first of his career and the distance of 37 yards is the longest by the Mean Green this season.

DENTON, TEXAS • FOUTS FIELD

ATTENDANCE: 14,718

DENTON, Texas (10/16/10) - Wes Carroll passed for 288 yards and two touchdowns in the Golden Panthers 34-10 victory against the North Texas football team on Saturday night at Fouts Field.

FIU scored on all three of its possessions in the first quarter to take a 17-3 lead. The Golden Panthers used a 50-yard touchdown pass, a 30-yard field goal and a 10-yard rush to take an early lead. FIU added 10 more points in the second quarter to take a 27-3 halftime lead. The Mean Green did not score a touchdown until the fourth quarter.

The FIU defense held the Mean Green offense to just 285 total yards. North Texas converted four third downs in the game. Running back Lance Dunbar was limited to 30 rushing yards.

Craig Robertson recorded his first career carry on a fourth-quarter fake punt that set up the Mean Green's only touchdown of the game. The 64-yard rush by Robertson was the longest run of the year. Dunbar scored on a nine-yard carry.

Zach Olen's 38-yard field goal was the Mean Green's only score of the first half. The Golden Panthers needed just over two minutes to jump on the scoreboard first. Carroll found Greg Ellingson for a 50-yard touchdown pass on the fifth play of the drive.

FIU scored on its opening possession to extend the streak of NT opponents scoring on their opening first drives. All seven North Texas opponents in 2010 have scored on their opening possession.

Brelan Chancellor's 73-yard kick return helped set up Olen's 38-yard field goal on NT's first offensive possession at 11:26 in the first quarter. The kick return is a season long.

The field goal was a personal best for the freshman. Olen is now 5-for-6 in field goals this season after missing a 33-yard attempt in the third quarter.

Chancellor has the second-most kick return yards ever in a Sun Belt game with 198 yards. Robertson registered a game-high 12 tackles tonight. That brings his career total to 321, which is just four short of fifth place in NT history.

ATTENDANCE: 14,373

BOWLING GREEN, Ky. (10/30/10) - Lance Dunbar rushed for a season-high 215 yards and three scores as Mean Green football snapped a three game losing streak in a 33-6 win over Western Kentucky Saturday afternoon at Houchens Industries-L.T. Smith Stadium.

The win is Interim Head Coach Mike Canales' first as a head coach which makes him the seventh North Texas coach to win his first game.

North Texas (2-6, 2-3) contained the Western Kentucky (1-7, 1-3) on the ground, allowing 100 yards, but no touchdowns to the conference's leading rusher, Bobby Rainey.

Western Kentucky opened the scoring early in the second quarter when Monte Merrick booted a 37 yard field goal to cap off a 13 play, 60 yard drive.

Dunbar responded with an eight-yard touchdown run to put the Mean Green on top for the first time since the 21-17 win against Florida Atlantic.

True freshman kicker Zach Olen would expand the lead to seven before halftime with a 48-yard field goal that made the score 10-3 heading into the break. The 48-yarder was the longest boot since Oct. 29, 2005 when Nick Balzaldia knocked a 50-yard try through against LSU.

North Texas continued to put the pressure on in the second half, taking its first possession into the end zone on a three-yard touchdown run by Dunbar.

The Hilltoppers would cut the lead down to 10 with a 46-yard field goal from Merrick but Dunbar and the rushing offense of the Mean Green would not be denied.

Freshman Brandin Byrd would tally his first touchdown of his career when he rumbled in from 53-yards out before Dunbar would put Western Kentucky away, scoring his third touchdown of the afternoon with 48 seconds left on the clock.

The Mean Green extended the all-time series lead against Western Kentucky to 4-0 having defeated the Hilltoppers in Denton and Bowling Green twice each.

DENTON, TEXAS • FOUTS FIELD

ATTENDANCE: 14,289

DENTON, Texas (11/6/10) - Riley Dodge threw three touchdown passes in the second half, but the North Texas football team came up just short, falling to Troy, 41-35, on Saturday night at Fouts Field.

Down 41-35 with three minutes to play in the game, Ryan Downing intercepted a Troy pass to hand the ball back to the Mean Green. NT's final drive, however, stalled out and Troy held on to win.

Dodge completed 17 of 29 passes for 269 yards. He threw three touchdown passes in the second half to keep the Mean Green in the game. Dodge had exactly 300 yards of total offense (269 pass/31 rush), his fifth 300-yard total offense game of his career.

Troy's Corey Robinson passed for 347 yards, including a 69-yard touchdown throw to open the game. Jerrel Jernigan rushed for 89 yards, caught four passes for 57 yards and also threw a touchdown pass. His fourth-quarter pass to Donnie Crosby proved to be the gamewinner for the Trojans.

Robinson threw all three of his touchdown passes in the first half to put the Trojans ahead at the intermission, 24-14. Michael Taylor had a 24-yard field goal at the start of the second quarter to contribute to the first-half scoring.

The Mean Green began its comeback with a fourth and one play at 7:56 in the third. Dodge found Drew Miller on fourth down for a 31-yard touchdown play. It was Miller's first career reception and first touchdown of his career. The touchdown cut Troy's lead to six, 27-21.

After Troy responded with a score, North Texas missed a field goal but came back with a 66-yard passing play. Dodge found Dunbar for his longest pass of the season and the second longest of his career. The score cut the Trojans lead to six once again, 34-28.

Dodge found Tyler Stradford for his third touchdown pass of the game, a 24-yard pass at 5:29 in the fourth. Orr recorded the Mean Green's second interception of the game on Troy's next possession.

Troy scored on the first offensive play of the game; a 69-yard strike off a flea flicker from Robinson to Chip Reeves. With the opening score, the Trojans became the eighth opponent to post a touchdown on its opening possession.

ATTENDANCE: 14,227

MURFREESBORO, Tenn. (11/13/10) - Senior John Shorter intercepted two Dwight Dasher passes, including one in the final minute to lead North Texas to a 23-17 victory over Middle Tennessee at Floyd Stadium.

North Texas (3-7, 3-4) led the entire game as it racked up 446 yards of offense on the Blue Raiders (3-5, 2-3).

The Mean Green opened the scoring in the first quarter with a 97-yard touchdown drive, which was capped off by a 30-yard reception from Riley Dodge to a streaking Jamaal Jackson. Junior running back Lance Dunbar had a key 65-yard dash on third down and ten from the North Texas three-yard line.

With the score, the Mean Green held a lead in the first quarter for the first time this season.

Dunbar would finish the game with 226 rushing yards and one score in addition to leading all Mean Green receivers with 46 yards. The 226 rushing yards puts him at 1,149 yards on the year, making Dunbar the second back in North Texas history with back-to-back 1,000 yard rushing seasons.

After another Blue Raider punt to the North Texas nine-yard line, the Mean Green would march for its second 90-plus yard touchdown drive of the night, this time from 91 yards out.

Middle Tennessee would eventually close the gap to four late in the first half with a 51-yard sprint by Phillip Tanner.

True freshman kicker Zach Olen extended the Mean Green lead to seven with a 53-yard field goal as time expired to make the score 17-10 at the half.

The Mean Green controlled the clock in the second half, taking the opening drive for 17 plays and chewing up 9:11 of clock. Olen tacked on his second field goal of the night to complete the drive, this time from 24 yards out.

The Blue Raiders refused to quit though, cutting the lead to three with 4:43 left in the third quarter with another Tanner score.

The Mean Green would answer, as they did all night, with another field goal, this time from 38 yards, with 1:10 left on the clock.
