## On Deck for the Warhawks

The Warhawks meet up once again with in-state rival Louisiana-Lafayette in the Sun Belt Conference Tournament. Depending on the result of its game against ULL and the outcome of the game between Florida International and North Texas, ULM could play at either 3 p.m. or 10 a.m. on Thursday.

## Sun Belt Conference Tournament History

In 2008, the Warhawks made a Cinderella run to the championship game of the Sun Belt Conference tournament in just their second season as members of the conference. Kandace Causey fired the only no-hitter in the tournament's history against 2008 tournament-host Troy. Megan Miller and Molly McNeill were also named to the all-tournament team.

## Scouting the Opponents

ULM went a combined 2-6 against the teams on its half of the tournament bracket. The Warhawks defeated 2009 tournament-host North Texas twice in their opening weekend of conference play. Florida International swept ULM in three games and Louisiana-Lafayette took both games of a doubleheader at the ULM Softball Complex in each of the last two weekends.

## Last Week for the Warhawks

The Warhawks' season-long losing streak continued to seven games against Louisiana-Lafayette in Saturday's doubleheader. Brianna Love homered off Donna Bourgeois to move into sole possession of sixth on ULM's all time home runs list. It was just the fourth long ball of the season given up by the four-time Sun Belt Pitcher of the Week in 2009.

## We are the ULM Warhawks

We are ULM. In all references to Warhawk athletics, please use the acronym 'ULM.' The only other acceptable version is the full name of the institution, the University of Louisiana at Monroe. Any other reference, including Louisiana-Monroe, La.-Monroe, UL-Monroe, or simply Monroe is inaccurate. Please refer to all ULM athletic teams as Warhawks including all women's teams. Lady Warhawks or Lady Hawks is not acceptable. Individual players may be referred to as a Warhawk.

## Love Leads the Warhawks

After she led ULM in batting average, runs scored, home runs, slugging percentage, walks, stolen bases, and tied for the lead in doubles and triples in 2008, Brianna Love is once again leading the Warhawks in several statistical categories. She not only leads the Warhawks with her five triples, but ranks at the top of the conference and in the top-20 nationally. Her .378 batting average not only leads her team, but also ranks fourth in the Sun Belt Conference. Love also ranks among the conference's best in walks and runs scored. She leads the Warhawks with nine doubles, five triples, and seven home runs. Love already has more steals this season with 14 than she did all of last season when she had six. She is currently tied for the team in that category with Sarah Carriger.

## Carriger's Contributions

With her batting average currently at .253, Sarah Carriger has successfully moved baserunners over on 52.2 percent of her opportunities to do so, which leads the team. Carriger is batting .255 in the last month, has stolen five bases and scored six runs. She now ranks in the top five in the Sun Belt Conference with 14 stolen bases on the season and smacked her first triple of the season against Florida Atlantic. Carriger has also been clutch with two outs, posting a .333 batting average when there are two down. She has been solid at second base this season with a .969 fielding percentage.

## Causey's Cruisin'

Just as she did a year ago, junior pitcher Kandace Causey is coming on strong in the second half of the season. In the last month, Causey has an ERA of 2.35 and has struck out 46 batters compared to just 21 walks. She was named Louisiana Pitcher of the Week by the LSWA after she posted two wins and a save in ULM's three-game sweep of Middle Tennessee March 28-29. Causey has thrown six complete games and pitched 59.2 innings during the last month.

## Cassel's Got a Cannon

Freshman catcher Roxane Cassel has thrown out eight of the last 10 baserunners who tried to steal a base. On the season, Cassel has caught 23 baserunners trying to steal. She is also a perfect five-for-five on her own stolen base attempts in 2009.

## Pitchers Heating Up

The ULM pitching staff has been on its game in the last month. While a 3-12 record might not suggest that, a team ERA of 2.34 and an opponents' batting average of .230 certainly would. The Warhawks have only allowed 31 walks as opposed to striking out 72 batters during this stretch. Kandace Causey posts a 2-7 record in these games, but her ERA is at 2.35. She also moved into seventh on the all-time innings pitched list at ULM, and grabbed sole possession of sixth on the all-time wins list.

## April Slump

In the last month, the Warhawks are 3-12 and are batting just .183 as a team in those contests. Brianna Love leads the team with a .349 batting average in these games while Robin Biddle (.324) and Kandace Causey (.300) are also hot with their bats, but the dropoff is sharp after that. The next highest batting average in the last month is .255, with the next one after that being .211. Four Warhawks with at least four at bats have not recorded a hit. ULM has just 17 extra-base hits during these eight games and only 22 RBI. While they have struck out two fewer times than their opponents, the Warhawks' on base percentage is just .243, compared to their opponents' .297 effort.

## Love and Biddle Shine in Sun Belt

Brianna Love and Robin Biddle are batting .378 and .225 for the season, respectively. When they face conference pitching, Love's average climbs to .407 while Biddle's jumps up to .282 against Sun Belt Conference opponents. Love has hit five of her six home runs against conference foes while Biddle has three of her four doubles and scored six of her 13 runs in Sun Belt contests.

## On Pace for Greatness

Kandace Causey is on pace to rank among ULM's best ever in strikeouts, wins, and recently cracked the top 10 in innings pitched. Brianna Love already cracked the top-10 in home runs and looks promising to break the top-10 in doubles and RBI by the end of her career. Megan Miller is on pace to rank in the top-five all-time in RBI and is already there for home runs. Rosemary Holloway-Hill won the 700th game of her collegiate coaching career earlier this season at North Texas in a come-from-behind 5-4 victory.

## 25 Years and 600+ Wins at ULM

Head coach Rosemary Holloway-Hill begins her 25th season in the dugout for the ULM softball program. In her tenure coaching the Warhawks, her teams have amassed 624 victories, which is over 200 more than any other coach in any other sport in ULM's history. Her teams have compiled three conference championships and two postseason appearances. The school's only All-American, Sarah Dawson, played at ULM during Holloway-Hill's tenure and helped the Warhawks reach the 1997 NCAA Tournament. Holloway-Hill also led ULM to the 1992 Postseason National Invitational Tournament Championship.

## Score First, Have Late Leads

The Warhawks are 5-5 when they put at least a run on the board in the first inning this season. When they score first regardless of the inning, their record is 13-10. When ULM's opponents score in the first inning, the team is 3-13, and when the Warhawks do not score first they are 3-20. It has been equally as important for ULM to be ahead late in games as its record is 12-4 when leading after four innings. That record improves to 15-2 when leading after five innings and 16-1 after six. The Warhawks have won just one game when trailing going into the fifth inning and are yet to take a sixth or seventh inning lead away from their opponents.

## Youthful Warhawks

The Warhawks have had over 350 starts in the field from freshmen and sophomores in 2009. In the circle, freshman Jessica Chastka and sophomore Heather Fritz have combined to start 24 of ULM's 49 games this season and have pitched a combined 146 1/3 innings. For most of the season, the Warhawks' lineup has featured the regular three sophomores in the top three spots of the order (Brianna Love, Sarah Carriger, and Molly McNeill). Megan Miller has been the only senior regularly in the lineup, with Michelle Farrell-Fink as the only junior starting on a consistent basis in the field. Roxane Cassel has started all but six games as the catcher in her freshman season, while the left side of the infield has been occupied by either a freshman or sophomore in almost every game. Sophomore Jessica Olguin has started 41 games at shortstop, while freshman Katie Girardi has started on the hot corner at third base 37 times.

## In the Circle

Kandace Causey has been a key factor in the success of the Warhawks' season. She came into the season after her 2008 campaign saw her make her way to some all-time ULM records lists. She is now fourth on the career strikeouts list with 364 career Ks. Out of those, 176 came in the 2008 season, which was good enough for the seventh-best single-season mark in school history. She is approaching the top-10 again this season for single-season marks. Causey now has sole possession of sixth place on the all-time wins list at ULM after she fired a complete-game shutout in a 5-0 victory over Florida Atlantic. Left-hander Heather Fritz also returns to the Warhawks for 2009 after she went 3-5 a year ago with a 3.82 ERA and 47 strikeouts. With a year of experience now under her belt, Fritz has already thrown more than twice the innings this season than she did in 2008. She fired a complete game two-hitter against South Alabama for her third win of the season on April 4 and recorded her first career save at North Texas on March 8. She is now 3-11 with a 3.30 ERA on the season. Jessica Chastka has won three games and recorded a save so far in her freshman season.

## At the Plate

Last season concluded with no player on the roster hitting over the .300 mark. In 2009 Brianna Love is leading the

way at her .378 clip and 24 RBI. Love also moved into the team lead in home runs with her fifth and sixth of the season against Florida Atlantic. She now has seven on the season. Sarah Carriger is second on the squad with her .253 mark. She also is tied with love for the team-lead in steals with 14. Molly McNeill sits in second on the season in home runs with four. McNeill is batting .200 for the season. Megan Miller has moved up some records list at ULM in her senior campaign. Miller now ranks fourth on ULM's all-time home runs list with 23 for her career and is in sixth in RBI with 77, which leaves her just two RBI shy of moving into the top five.

## Walk-on earns her spot

Elyse Stark has earned her way onto the ULM softball team as a sophomore in 2009 after walking on in 2008. She is the only Division 1 softball player in the country (amongst schools that have reported) who wears a skirt while she plays. Stark has a skirt to match each of the Warhawks uniforms as well as all of the squad's practice gear specially made by her grandmother. She wears the skirt as a non-denominational practice. Stark is used primarily as a pinch runner because of her speed and heads up play on the basepaths. She has scored seven runs on the season, and is 2-for-3 on stolen base attempts.

# 2009 Sun Belt Conferenec Softball Championship

Wednesday-Saturday  
 May 6-9 • Denton, Texas  
 Hosted by: North Texas

## Determination of Tournament Seeds

The final conference standings will determine seeded positions for the first round of the tournament. In the event of a two-way tie in the standings, the following tie-breaker system will be used -- in order -- until the tie is broken:

1. Results of each team in head-to-head competition.
2. Results of each team vs. the first-place team, or their composite records against any team tying for first place.
3. Records of each team vs. the second-place team, or their composite records against any team tying for second place.
4. This process continues with records vs. the third-place team, fourth-place team, etc., if necessary, until the tie is broken and seeding is complete.
5. If a tie still exists, a coin flip shall be conducted by the Conference office.

In the event of a three-way tie in the standings, the following tie-breaker system will be used -- in order -- until one team demonstrates a clear superiority or inferiority over the other two. When this occurs, that team will be seeded highest of the three teams, and the remaining tie between the other two will be broken by following the steps listed above.

1. Composite records of each team in competition vs. the other two teams involved in the three-way tie.
2. Records of each team vs. the first-place team, or their composite records against any teams tying for first place.
3. Records of each team vs. the second-place team, or their composite records against any team tying for second place.
4. This process continues with the records vs. the third-place and fourth-place teams, etc., if necessary, until the tie is broken and seeding is complete.
5. If a tie still exists, a coin flip shall be conducted by the Conference office.
